

The Hartland Land Trust

Invites you to our *Annual Forum*

Water Quality in Our Streams: How Can We Tell?

Presented by: Dick Caley,

President of Salmon Brook Watershed Association

What protects our water? What threatens it? One indicator is what lives in our streams.

Dick, a retired science teacher and board member of the Granby Land Trust, will bring live organisms to illustrate his presentation.

Friday, June 2, 2017 7:00 p.m.

at the **Hartland Town Hall 22 South Road, East Hartland, CT**

Free - Donations gratefully accepted

HLT Caps, 2017 Calendars and Photo Note Cards For Sale

Refreshments will be served after the program
